

BREAKING, DRILLING & FIXING

LIGHT DUTY BREAKER

Light duty breaker suitable for moderate chiselling work on concrete or masonry, channelling and plaster removal.

- Rotary for wood up to 32mm and steel up to 13mm
- Rotary hammer for concrete up to 25mm
- Anti vibration models available for periods of sustained use

See page 4 for further details

Technical Information & Rates*

Code	Additional Information	Decibel Level	Vibration Level	Power	Weight	First Day	Two Day	Week
217624	TE500-AVR	94	10	110v	6kg	£35.10	£46.80	£58.50

*Subject to trade terms where applicable

MEDIUM DUTY BREAKER

Ideal for medium to heavy-duty chiselling jobs, demolition and corrective work on concrete.

- Drills holes in concrete or masonry up to 10mm in diameter
- Various points, chisels, drill and core bits available for hire or sale
- Resharpener charges applicable
- Anti vibration models available for periods of sustained use

See page 4 for further details

Technical Information & Rates*
