

# Street Furniture

Keyline offers a wide range of street furniture which includes the following types of product:

- Bollards
- Security Bollards
- Bins
- Tree Protection
- Seating
- Cycle Racks
- Smoking Shelters

## Bollards

Bollards are available in a wide range of materials ranging from concrete to cast iron, steel to polyurethane, and in a range of styles from the traditional cannon style to modern hi tech. Typical examples are shown.

A wider range of Bollards are available from your local Keyline branch.

## Security Bollards

We offer a wide range of security bollards to provide varying levels of access control, from hinged posts to anti-ram devices.

Visit your local Keyline branch for our full range of Security Bollards.

## Bins

Bins are available in a wide variety of styles and materials to suit both contemporary and traditional settings with badging, fittings and design features available to suit your needs.

See your local Keyline branch for more information on the wider range.

## Tree Protection

We offer a broad range of tree protection systems, from simple grilles in a wide variety of styles to systems incorporating guards to protect trees in the modern environment.

## Seating

We offer a wide range of seating in many materials and styles, from cast iron and timber to stainless steel and recycled plastics.

A wider range of Seating is available from your local Keyline branch.

## Cycle Racks

A wide variety of racks are available to suit every cycle and location. Their welded construction ensures they are tough and strong and are designed to meet today's challenging environment. For information on the complete range of Cycle Racks visit your local Keyline branch.

## Smoking Shelters

Keyline Smoking Shelters offer protection for smokers in adverse weather conditions. Available in four sizes with multiple entry and exit points and complete with a range of components such as seating and cigarette bins. See your local Keyline branch for more information on our full range of Smoking Shelters.

Beyond these Keyline also offers a wide range of bicycle shelters, planters, cloakroom furniture, street signage, post and rail systems.
